Quantum Healing

Quantum Healing & Conventional Medicine

Quantum Healing Hypnosis Therapy	Conventional Medicine
Body-Mind is inseparable	Body oriented
Address the root cause of disease	Alter the expression of disease
No pills	Magic pill for everything we have.
See the patient once	See patients again and again

Healing at different layers

Physical-Mental-Spiritual

- QHHT is sort to address all these areas depending on needs of the client

Physical	Mental/ Emotional	Spiritual
Body; Matter	Mind; Intellect	Spirit/ Soul
Behaviour/ Actions	Thoughts and Feelings	Awareness
Epilepsy, High BP, multiple sclerosis body aches...	Fear; Doubts; Past Traumas; Confidence; Family disturbance; Career advise; relationship issues...	Purpose of Life, Karma, Chakra, law of non- interference...

Quantum Healing Hypnosis Therapy

- Dolores Cannon's technique

- Somnambulistic state of trance
- A state which under ordinary circumstances is experienced only twice daily.
- In this state that she discovered an **infinitely knowledgeable and powerful aspect** of each individual that can be contacted and communicated with.

Left & Right Brain

Four states of Consciousness

BETA
Awake, normal alert
consciousness

ALPHA
Relaxed, calm, lucid,
not thinking

THETA
Deep relaxation and
meditation, mental
imagery

DELTA
Deep, dreamless
sleep

Past Life Regression

- Individual is regressed and guided through a past life
- First scene they view, throughout the various periods of the life and eventually to the death scene
- The subconscious will select what past life to show
- Is always relevant to the current life the individual is living now
- Multiple past lives to be shown in a single session

The Subconscious...

- Is always present with us
- Access to past lives
- Performs instantaneous healings when appropriate.
- Effective on thousands of people all over the world
- We have all lived multiple other Lives
- Contains answers to any question we may have about ourselves or the life we are living.

Healing

- QHHT session process- Visualization; Past lives; Subconscious
- Identify any physical problem it detects within the body
- Healing is done instantaneously **with no medication, surgery or pain involved.**
- Simply understanding **WHY**
- Healing can only occur if an individual wants to be healed and if it does not interfere with the goals of their lifetime.**

Benefits of QHHT

Some of the remarkable results Dolores and her QHHT Practitioners alike have experienced with clients during a session:

- Cancer of all types at various stages being cured
- Cartilage being reconstructed between joints
- AIDS being cured and eradicated from the body
- Heart conditions being healed, afterwards surgery is no longer required
- Deteriorated livers being regenerated and restored to full function
- Damaged kidneys being regenerated and restored to full function
- Open flesh wounds being regenerated with no scarring
- Migraines being explained and their root causes removed
- 20/20 vision being restored where people no longer need corrective vision
- Diabetes being cured and the causes for it explained
- Intestinal problems being cured
- Lower and middle back problems being cured
- Neck and shoulder pains being removed
- Lung associated problems being cured
- Skin problems

- Healing-

- Informational basis,
- Physical healing,
- Relief; Clarity; Knowing;

What is this invisible force?

- The Higher Self, the Over soul, Christ Consciousness, Higher Consciousness, The super consciousness, the Universal Mind and Oneness.
- The Subconscious is a suitable label given the context of Dolores' work.
- The Subconscious has stated to Dolores that “it does not care what we call it, it simply Is.. and is willing to work with those with a pure heart and true intent”.

Do you want to believe or know?

Belief is developed with opinions and
knowledge

You know because you have
experienced it (Anubhava)

a

Thank You

The image features a decorative header with blue and white wavy lines. The main content is the text "Thank You" written in a black, elegant cursive script. Two detailed black and white line drawings of butterflies are positioned around the text: one is on the left, partially overlapping the word "Thank", and the other is on the right, overlapping the word "You".
